

B-BBEE LEVEL 2 | BLACK FEMALE OWNED

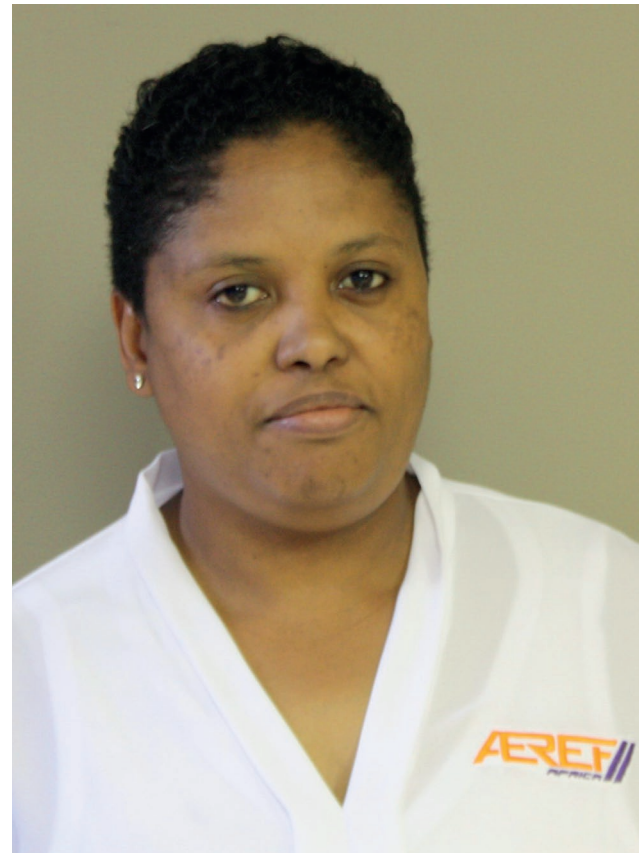

OUR EXPERIENCED TEAM OF WELL-TRAINED EXPERTS

OWNERSHIP

Aeref Africa (Pty) Ltd is a Black Female owned business in the air-conditioning and refrigeration sector. It is a 100% South African company that supports the Transformation process and the Codes of Good Practice.

Lee-Anne Van Biljon has thirteen years experience in HVAC & R (Heating, Ventilation, Air-conditioning and Refrigeration) sector.

She has experience in Project Management, Administration & Finance and is supported by Executive Managers experienced in refrigeration and logistics.

TECHNICAL

The company employs six teams of technicians with experience in VRV/DSM and ducted airconditioning systems. Dedicated teams are employed in installations and maintenance separately.

Another area of specialisation is refrigeration with teams in excess of fifteen years experience. Supermarket and Cold Storage refrigeration being the focus.

EXPERIENCE

Each Team Leader has personally in excess of ten (10) years experience in the HVAC & R industry.

All teams are accredited and have experience in the petroleum industry.

Team Leaders are technically qualified in the trade and posses the important SAQCC Certification. (South African Qualification & Certification Committee). This is a Dept of Labour requirement for technicians working with gases.

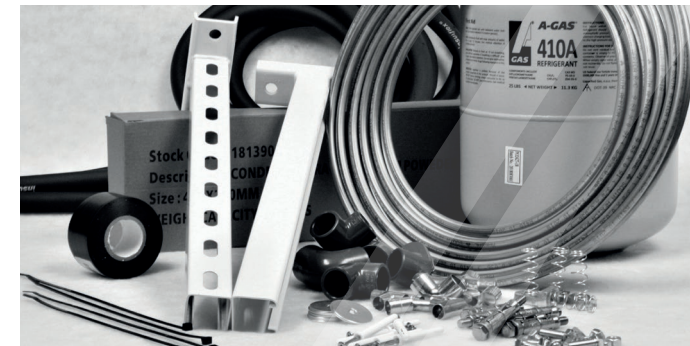

OUR EXPERIENCED TEAM OF WELL-TRAINED EXPERTS

COMPANY CREDENTIALS

The company is a member of SARACA (South African Refrigeration & Air-conditioning Contractors Association). We employ a qualified and experienced H.S.S.E. Officer]. The company mission is to offer the highest service levels, competitive pricing, apply anticorruptive principles. Education, training and social upliftment is at the forefront of the company philosophy. Mentoring personnel for leadership roles is at the centre of our business plan.

AIR-CONDITIONING AND REFRIGERATION

We design, supply and install tailored air-conditioning and/or refrigeration systems that suit both your business and your budget. Choose us as your long-term maintenance partner and you get: We sell quality heat pumps that conserve energy by working with your geyser or air-conditioning unit to produce the desired ambience.
